

Using the library

Access is granted to everybody, but you have to reserve your seat through the app 'Affluences' or 'Affluences via web'

<https://affluences.com/biblioteca-di-fisica-ed-astronomia>

To search books, please check the catalog of Padua Library System Galileo Discovery.

To reserve those on loan, log in to your personal area, using your University email address and password (SSO).

The loan of textbooks is shorter than that of other books. You can only borrow them for 15 days (green sticker) or for one day or the weekend (yellow sticker).

Some textbooks are available as e-books, and they are accessible remotely through SSO or Auth-proxy service.

Using the library

- ◇ Library desks are equipped with electric plugs.
- ◇ Wi-Fi Eduroam is available throughout the library using your SSO.
- ◇ Laptops are available for free. Please, take note that they must be used only in the library.
- ◇ Photocopying and printing service is offered.
- ◇ Books not found in Galileo Discovery can be requested through the InterLibrary Loan Service
- ◇ The Document Delivery Service retrieves journal articles and book chapters not available in Padua.
- ◇ Help is offered for bibliographic search and to write a bibliography

Using the Digital Library

A Library is not a real place where to go to study, full of books to borrow and with free Wi-Fi connection.

A library is also something more
It's the Digital Library!

<https://bibliotecadigitale.cab.unipd.it/en>

Access **Galileo Discovery**, the main entry to the Digital Library, to read and download books and journals, search databases and much more.

GalileoDiscovery.unipd.it/

If you are off-Campus you can reach the Digital Library all the time and from everywhere, from your PC- laptop - mobile through Auth-Proxy and SSO. For more details, please visit the library website.
